

## Groupe Gruau and EVE GmbH Proudly Announce their Partnership

**Groupe Gruau** and **EVE GmbH** have signed a long-term contract and will closely cooperate in serving their markets. **Groupe Gruau** will make available its know how and production capacities for **EVE GmbH's** German, Middle East and other international projects.

**Groupe Gruau** has appointed **EVE GmbH** to be its distribution partner for the sale of its entire range of ambulances in Germany.

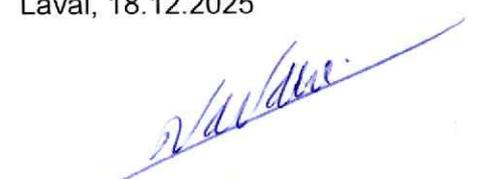

**Groupe Gruau** is a leading European manufacturer of special vehicles with its current sales activities mainly in France and North Africa. **Gruau Laval SAS** and its daughter companies have an extensive product range and large production capacities.

**EVE GmbH** with its headquarters in Wietmarschen is a German company with a highly professional team and know-how in the local and international ambulance markets.

**Groupe Gruau** and **EVE GmbH** are looking forward to successfully cooperate with customers, suppliers and authorities.
